

Curious, collaborative and driven? Let's chat.

See yourself here.

At Goldman Sachs, we believe who you are makes you better at what you do. We seek out people with all types of skills, interests and experiences. Even if you have never imagined a career in finance, there's a place for you here.

For us, it's all about bringing together people who are curious, collaborative and have the drive to make things possible for our clients and communities.

Our Engineering organisation builds solutions to some of the most complex problems in the industry. Our commitment to best-in-class technology provides Goldman Sachs with a competitive edge.

Interested? We'd love to meet you – join us at our upcoming virtual Engineering Africa & Caribbean Recruiting Initiative to meet us and gain real-life perspective on the industry while making invaluable connections.

As a participant in this initiative, you will:

- Discover the extensive range of engineering career opportunities in the financial services industry
- Gain tangible CV enhancing skills through interactive workshops.
- Work with peers and Goldman Sachs professionals to build your technical and soft skills while hearing more about their experiences

Africa & Caribbean Recruiting Initiative

How to Apply:

Apply online at gs.com/careers and select the below dropdown criteria:

- Recruiting Year -> 2022
- Position -> Summer Internship
- Programme -> Summer Analyst (London)
- Division -> Engineering
- Sub Division -> Africa Recruiting Programme

Applicants will be contacted once applications close with further details. Note the HackerRank assessment (which forms part of the interview process) will be triggered after participating in the programme.

Application Deadline:
06 December 2021

Make things possible.
